

IP 2408 heavy poster paper is a highly scratchproof paper intended for indoor and short-term outdoor applications. This material has been specifically designed for digital printing on large-format inkjets and is suitable for printing with eco solvent and solvent inks as well as UV-cured inks.

IP 2408

IP 2408 heavy poster paper is a watertight and extremely scratchproof paper. It is intended for indoor and short-term outdoor use. It can also be used for economic backlit applications. Images printed on the semi-gloss surface are highly scratchproof. IP 2408 is sustainably manufactured following the ISO 14001 standards.
